ON THE COUNTER · BARTY

A cocktail in about thirty seconds

BARTY is a Turkish-made smart cocktail machine. Each capsule holds the non-alcoholic base of one recipe; the drink is chosen in the mobile app, shaken automatically in the machine and poured into the glass. The same result every time, without a full bartending team.

Why Lámpago

Silent electric drive

No engine noise and no exhaust: it can work indoors, in lobbies, malls and halls.

Built for each brief

Every trailer is made by Lámpago to the configuration: equipment, colour, awning and branding.

A crowd magnet

A retro three-wheeler with a matching trailer. People stop, queue and photograph it.

Arrives as one unit

The Lámpago tows the trailer into place, so the display arrives complete.
