Why Lámpago

Silent electric drive

No engine noise and no exhaust: it can work indoors, in lobbies, malls and halls.

Built for each brief

Every trailer is made by Lámpago to the configuration: equipment, colour, awning and branding.

A crowd magnet

A retro three-wheeler with a matching trailer. People stop, queue and photograph it.

Arrives as one unit

The Lámpago tows the trailer into place, so the display arrives complete.
